WELCOME
TO NONPROFIT PRO 2022

Thank you for your interest in NonProfit PRO 2022, the premier resource for nonprofit executives and development teams to find inspiration, learn about new technologies, explore new fundraising techniques and manage their nonprofit more effectively.

Our mission is to foster relationships between our advertisers and our subscribers through integrated media programs, video services, events, custom content and e-learning. NPP is here to serve your marketing needs in engaging with nonprofit executives and decision-makers as they strive to find answers to the challenges of running and growing their nonprofits — all while pursuing their missions.

NPP’s laser focus on helping nonprofits has helped our subscriber base explode to over 72,000 active and engaged readers.

As you look through the following pages, you will find a powerful and extensive series of marketing and communications platforms and tools designed to deliver the maximum impact and return on your marketing investment.

We are dedicated to helping you grow your business with the most sophisticated combination of lead generation and branding tools available in the market today.

We look forward to working with you in 2022!

NonProfit POWER’s Value Proposition Is Simple...

As a sponsor, you’ll have guaranteed one-on-one time with executive decision-makers. These attendees are responsible for evaluating, purchasing, implementing and managing major technology platforms, tools and solutions at their nonprofits. Attendees will hold titles such as executive director, chief development officer, head of fundraising, head of technology, and more. Our “1:1 Meeting-Boardroom-Case Study” approach creates ROI at a fraction of the cost compared to attending a large industry trade event or traditional conference.

- **Pre-scheduled 1:1 meetings** with attending senior executives are the ideal way to drive sales and solidify partnerships. Sponsors schedule meetings with attendees beginning about a month before the event through our online scheduling system, as well as on site.

- **Private case study presentations** involve a rotating groups of 10 to 15 senior executives in the process of reviewing technology tools, services and solutions for implementation at their nonprofits.

- **Additional networking opportunities** include receptions, breakfasts, luncheons, dinners, casino night, and awards reception where attending executives vote on the best Sponsor products and presentations.

- **Keynote presentations and panels** discussions feature sponsors whose solutions are driving nonprofit leaders’ branded content to new heights.

NonProfit POWER is an exclusive forum where buyers and sellers come together, in an environment facilitated by experts, to share their experiences, needs, products and services. The entire event experience — from meals and entertainment to the venue and conference program — provides attendees and sponsors with first-class networking and unique business development opportunities.

All qualified attendees receive a full participation package that includes travel, hotel accommodations, meals and networking activities. This ensures a cost-effective and quality peer-to-peer experience for attendees and a 100% qualified audience for participating sponsors.
